Island Tours

Suggested tour itinerary

DAY 1 ARRIVE TO PORT BLAIR

After you land in Port Blair, our travel executive would receive you at the airport and escort you to your hotel. After you fresh up and finish your lunch your day tour would start with a city tour. In the city we have a 5 points. Cellular jail, samudhrika, Chatam saw mill which is a one of the oldest mill in Asia and in this mill also you can see the bom pit which dropped by Japanese. After this we proceed to anthropological museum which is based upon our tribals like Jarawa, Nicobarese, Great Andamanese. After this we show you the historic national memorial cellular jail also known as kaalapaani. Here you get to see the British era jail and the museum. In the evening the cellular jail comes alive with its light and sound show, which is a must watch to know the history of Andaman and the freedom movement. We shall end your first day tour in Port Blair with this show followed by dinner.

DAY 2 PORT BLAIR: NORTH BAY- ROSS ISLAND

The two Island tour is one of the most anticipated activities for any tourist in Port Blair. Ross Island, the erstwhile capital of Port Blair during the British regime is under the control of Indian Navy because of its strategic location. This island hosts the remains of the British era buildings, swimming pool etc. While you whistle past the Coral reefs in your speedboat, you can fill your senses with the ethereal beauty that surrounds the north bay island. You can also discover the hidden treasures of the ocean by scuba diving or sea bed walking at an extra cost.

DAY 3 PORT BLAIR TO NEIL ISLAND

Neil Island is an island in the Andaman Islands of India, located in Ritchie's Archipelago. It is apparently named after James George Smith Neill, a British soldier who had sternly death. The island is located 40 kilometers north-east of Port Blair. It is the southernmost island of Ritchie's Archipelago. After breakfast We will proceed to Bharatpur, Lakshmanpur. Then we show you the amazing rock formation which is most famous and innovative place. We shall end your tour in Neil Island with this show followed by dinner. Overnight

staying next day morning we proceed to HAVELOCK ISLAND in govt ferry by covering one beach.

Day 4 HAVELOCK ISLAND

Get geared up to visit Asia's No.7 beach rated by Times magazine. Reach Phoenix Bay jetty to board the Coastal cruise or Govt ferry to Havelock. After a an 2 hour journey in the Andaman sea with the flying fishes and Dolphins (you may be lucky to sight some) reach Havelock islands. Our tour executive will receive you at the jetty and take you to Radhanagar beach. Spend your day in the No.1 beach in Asia. Enjoy the waves and miles of coast line. This virgin white sand beach is best place for swimming as there are

no rocks in the coast and the waves are not too high.

DAY 5 VISIT ELEPHANT BEACH

Enjoy breakfast and then speedboat your way into the sparkling blue waters of the Andaman sea to reach the serene Elephant beach. Enjoy sunning by the sea, go for a swim or snorkel in its crystal waters. There are plenty of activities (Water scooter, Banana boat ride, Sofa ride etc) waiting for you. Snorkel in the clear waters wearing mask and fins with our dive master. Explore the underwater fish life. Our life guard will always be present with

you for your safety. Evening board the return cruise to Port Blair.

DAY 6 FLY BACK HOME

This morning after breakfast, transfer to the airport to board your return flight back home. Arrive home with wonderful memories of your holiday with Travel Company India, which we are sure you will treasure for a lifetime.

Pre-book your Scuba Dive/adventure activities/rides with our packages and get heavy discounts and exclusive service on add-on packages.**INTRODUCTION TO SCUBA DIVING**

"Journey to the Bay of Bengal in Asia and explore the magical Andaman Islands - a wondrous realm of stunning marine and coral reefs, swimming elephants, pristine beaches and mysterious tribes who exist beyond the reach of time. Pass through shimmering gates of coral and discover volcanic gardens of an underwater paradise. Here lions, unicorns and butterflies masquerade as fish. Dugongs play in the sea-grasses of shallow reefs that fringe the outer islands and every dive trip brings the promise of exploration and new discoveries" - Jacques Yves Cousteau

Although dive pioneer Jacques Cousteau dived the waters around the Andaman Islands quite some time ago- it's only now that they are becoming one of the world's newest diving destinations which have yet to be explored properly for diving. After a 60 year period of virtual isolation from the outside world the Indian government has made a decision to allow limited, environmentally conscious tourism development in the islands.

There is nothing like breathing underwater for the very first time. It takes a little getting used to –after all, human beings weren't designed to do that – but after a few minutes

of awestruck wonder, most participants realize how easy scuba diving really is. The biggest challenge instructors have with the Discover Scuba Diving program is not coaxing participants into the water, but coaxing them out when the program is over. The fun part? It's all fun!

Although diving is a recent development in India, the Andaman Islands offer some splendid diving and untouched coral reefs. A hidden jewel, waiting to be explored!

With water temperatures not dropping below 26°C and averaging 28°C, diving here is extremely comfortable and enjoyable to learn. Visibility in our surrounding waters can vary from 5m-40m depending on the site and the season.

Dive site: Northbayisland near Port Blair offers a variety of marine life which includes colourful fishes and beautiful corals.

Certification: You will be awarded with a PADI certificate on successful completion of your first underwater scuba dive. As your Discover Scuba Diving program includes an actual scuba dive in open water, your experience shall count toward PADI Scuba Diver or Open Water Diver certification, putting you a step ahead of the game when you decide to go for it.

Duration: Discover Scuba Diving is a complete programme that includes training on safety, use of scuba equipment and under water communication techniques. The actual underwater stay varies from 15-40 mins depending on the ability of the participant.

Scuba gear you use: All the equipment you will need is typically included in a Discover Scuba Diving experience. You'll use all the basic scuba gear including a scuba wetsuit, a mask, snorkel and fins, a buoyancy compensating jacket that also carries your scuba tank, a scuba regulator to breathe from and instrumentation to monitor depth and air supply. Allow us to unveil the underwater marvels of the Emerald Isles.

Prerequisites: All you need for Scuba is the desire to dive. You must be above 10 yrs and free from asthma and cardiac diseases. Swimming is not mandatory as we have the best of dive masters to show you the underwater life for the first time. Allow us to unveil the underwater marvels of the Emerald Isles.

FAQs

The tourism infrastructure in these islands is not as developed as other parts of the country and that is what brings you more close to nature. Please don't compare the

facilities with other developed destinations. We deliver the best with the available resources.

The services of the chauffer driven vehicle is for exclusive point to point transfer and the vehicle is not at the guests own disposal. Any extra use of vehicle shall be charged as per Govt. approved rates.

FAQs

1. No one came to receive me at the Airport !! What do I do?

In case you have not booked your air-tickets with us, please intimate your arrival flight details to us well in advance. We shall message you the tour co-ordinator and drivers contact details. All our bookings are computerised and vehicles are detailed one day in advance, so there is little chance for any goof up. Please look for the pla-card bearing your name. In case you are not able to find our representative please call your tour-coordinator.

2. The driver of the car has changed; I want the same driver for my complete tour.

All our drivers/tour executives are well trained, but it is not always possible to detail the same driver for the complete tour. If you wish to use the same car for your complete tour, please do let us know in advance.

3. I was promised a TATA Indica car but this is a Scorpio/Xylo.

We shall never de-grade the class of vehicle or rooms promised to you, but you may sometimes find an upgrade without any extra charges.

4. I want a guide to assist me throughout the tour.

All our drivers are well versant with the islands and double up as guides. In case you wish to have the services of an additional guide/Tour executive please let us know at the time of booking.

5. I had booked Hotel XYZ but you called up to inform that I have been booked in hotel ABC.

All our packages are designed as per category of hotels. For packages with 100% advance payment we confirm the rooms on receipt of payment. During peak seasons when a particular hotel is not available, we give the option of same category hotels.

6. I could not find any room in hotel ABC online, How can you promise me the rooms ?

We have tie up with almost all the reputed hotels in Andamans and the online inventory is different from our pre-booked agent inventory. The same applies for Flight and MAKRUZZ tickets.

7. I had to pay the entry fee by myself in Ross Island.

As the entry fee for Ross island is collected on arrival at Ross island, the same (Rs.40 per person) has to be paid by the guests directly at the counter.

8. My boat to Havelock/Neil/Northbay has been cancelled due to bad weather. What do I do?

In case of any cancellation of sailings due to bad weather, an alternate arrangement shall be made by us. You will be given the option to alter your itinerary as per your comfort and interest. Any cost arising extra will have to be borne by the guest.

9. I have paid the full advance for my tour, but when I called the hotel they denied any booking in my name.

We book the hotels on the Guest's name. Sometimes due to delay in updating the records or slow internet connection the reservation may not confirm your booking over the phone. The reservation offices of the resorts in Havelock are located in Port Blair, hence the resorts get updated of the bookings late. Once you have made the payment, you can be assured of confirmed reservation. For any queries please contact our office.

10. Which is the best Mobile network in Andamans?

BSNL,Airtel,Vodafone and Reliance are the major cellular operators in Andamans. But BSNL is the one with the best network coverage.

11. My flight is cancelled, what do I do?

In case your flight is cancelled, ask the airline to shift you to the other Airlines operating on the same day. In case they are unable to do so, ask them to re-schedule your ticket for the next day. Inform us immediately so that we can make the necessary changes in your bookings.

12. Are ATM's available in all islands ? Do I need to carry cash ?

Although ATM's are available in almost all islands, but it is recommended to carry cash with you, especially while visiting Havelock and other islands.

13. I speak only Bengali, but the driver doesn't!!

All our staff do speak Hindi and English. Tamil and Bengali being the most commonly used languages in Andamans understood by almost all our staff. In case you have any difficulty communicating, do let your tour coordinator know. He shall do the needful.

14. I want a sea view room, will that cost extra money ?

Yes, there are only few hotels in Port Blair with sea view and they charge extra for those rooms, although the hotels showcase only sea view rooms in their websites but the prices mentioned are for base category rooms and not sea view rooms. In case you want a sea view room, please let us know at the time of booking. Since you spend most

of your time in tours and activities, we do not recommend spending extra for sea view rooms as you hardly spend time in your hotel room.

14. I was offered scuba diving for a cheaper price in Northbay/Havelock by a guide/boat boy. Why so?

Scuba diving is a fun activity which can go terribly wrong if not done professionally. We recommend diving with PADI certified dive masters only. We have tied up with Barefoot and Dive Mantra (The best dive center in Andamans) which are Govt. recognized dive centers, with professional divers to take you under water.
